BEEF CUTTING ORDER

BUYER NAME & PHONE #:

Please note that we sell our beef by the hanging carcass weight and not by the processed and packaged weight. Also, our estimated total cost may fluctuate either way as each steer is different in size. We will be in contact with you promptly after we are informed of the official weight of your steer from the butcher. Please mark or circle which cuts and sizes are desired for your order. Any cuts that are not desired, will simply be ground for you instead. Thank you! -Joey & Emily
